Community Garden Report—Andrew

Lots are full. They are looking for 40-50 volunteers to help at the gardens this summer.

Flower Beds

NSF received feedback that the City does not want us using Day Lilies and Sedum flowers in the flower beds. Kerri will contact Karen from the Master Gardeners.

Discussions were held about meetings at Community Table concerning; parking, lights and availability. A decision was made to change meeting location to B-Side. Andrew W. will work out arrangements with B-Side as our new meeting location. Beth will send a letter to Community Table thanking them for the use of their facilities over the past couple of years.

Anita questioned utilities on Forest St. Opinion was they were there because the city would be cutting down Ash Trees.

Meeting was adjourned at 7:55 Pm
